In the chart that includes the results of Cambridge English: Key, Preliminary and First exams:

**Score Average:** It indicates the average of the total scores of all our candidates to the number of the total candidates.

**Pass Percentage:** It indicates the statistics of the candidates attended to the related exam who can get a pass or a higher score.

Only Cambridge English: First exam is calculated over 190 point, whereas the other exams are over 100 points.

Regarding to this, the data of the score average is calculated on 190 points and the pass rate is shown as 100 points in the chart of the statistics.

The pie charts appeared under the chart of the statistics indicates the percentage of distribution of the scores.

These inputs are not the pass rate or the average score of the exam.
